THE BIKER'S BLESSING

Hello Bikers!

I sure am glad that my bike gets decent gas mileage! I am riding now not just for the joy of riding, but also because it is the CHEAPEST way to get around! Please make sure to pray for the leadership of our country that they would see we are not ready for electric only transportation! As riding season gets into full swing, we need to pray for our group to be safe! I have already seen or been made aware of several accidents involving bikes. Just be sure to ride safely and watch those cars! They don't see you because they are looking at their phones. I wish I had a dollar for every time I ride next to a person texting or looking at their phone while they are driving! I have had to drive on the shoulder more than once to avoid a person moving over into the center of the road because they have their head down! BE CAREFUL! I Thessalonians 5:17 makes it very clear!!! "Pray without ceasing". WE NEED TO PRAY ALL DAY EVERYDAY! God is very good and He wants to hear from each and every one of us all the time! I pray that we all know Him as Saviour! That is the MOST IMPORTANT PRAYER! The prayer that asks Christ to be your Saviour! If you haven't prayed that prayer, please do today! That is what it takes to be ETERNALLY safe!!

HOCKING HILLS SCENIC BYWAY

OH - 374 --- DISTANCE: 26 MILES --- TIME: 40 MINUTES

The Hocking Hills region of Ohio is a beautiful place to ride a motorcycle. This 26.4 mile byway follows State Route 374 through Ohio's scenic Hocking Hills and around Hocking State Forest. On this road, riders can see some of the most scenic parts of Ohio. Beginning at the intersection of Ohio Route 374 and U.S Route 33, the byway stretches nearly 30 miles from Rockbridge to South Bloomingville and includes portions of state Routes 56, 374 and 664. Autumn offers some spectacular riding as the lush foliage of southeast Ohio will be in full display.

Hello folks!

Hope everyone is staying safe and enjoying your riding season! It was so great to see everyone at the Blessing! As always, you're welcome to visit our church at anytime! It would be an honor to have you! With 4th of July coming upon us, I pray that everyone has a safe holiday! Even though things are a bit crazy, we still live in the greatest country! God is still in control! Ride safe!!

'Til next time,
Shawn
